

Welcome to Renard!
Thank you for your patronage.

For those joining us for the first time,
we are a cocktail bar & late night social club.

We offer modern bistro-style dishes alongside great
cocktails, wines, and good times.

Our aim is to create and serve drinks that bridge the gap
between accessible and intrigue.
We aim to use seasonal and native ingredients, minimise
waste, and push boundaries with our cocktail list.

Our wine list emphasises local and Australian independent
producers who are doing fun new things with wine.
We tend to look to wines produced with minimal
intervention and use natural winemaking processes.

Please be respectful of the space and enjoy your
time in our deco-styled bistro-esque discotheque!

Teddy, Louis & the Renard Team

We would like to acknowledge the
traditional custodians of the land we work
and gather on, the Wadawurrung and
Dja Dja Wurrung People, and extend our respects to
their Elders past, present, and emerging.
